

1. Print this design and tape it onto your pumpkin.

2. Poke holes around outlines of black shapes.

3. Use an awl to poke whisker holes.

4. Remove the paper design and use a carving tool to cut out the black shapes.

5. If you want to create 3-D tusks, place parsnips in the tusk holes. Adjust the openings or use toothpicks to hold the parsnips in place if needed.
